

WELLS CITY PRACTICE

NEWSLETTER – APRIL 2011

EXTENDED OPENING HOURS

In our Newsletter in May 2010 we announced that the Department of Health had offered Practices funding to enable us to offer some extended opening hours. Unfortunately they have now reduced this funding by a considerable amount which means that from 1st July 2011 we will no longer be able to offer this service and will return to our normal opening hours 8.00am – 6.30pm Monday to Friday (except bank holidays).

If you have a particular difficulty attending for appointment during our normal surgery times, please arrange a telephone call with your GP to discuss this.

PATIENT PARTICIPATION GROUP

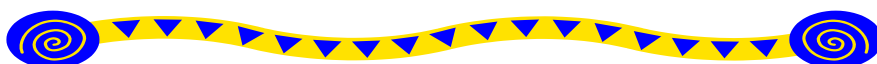

We have had our first meeting at the beginning of April at the Practice. If you are interested in getting involved with this group and would like to come along, please speak to our Practice Manager, Mrs Carol Judd.

ON LINE SERVICES

You can order a repeat prescription, book an appointment and access lots of information online – visit

WWW.WELLSCITYPRACTICE.CO.UK

YOUNG PEOPLE'S SERVICES –QUESTIONNAIRE

We will shortly be sending a questionnaire to our patients aged 16-18 asking them about the services we offer their age group and how we could improve them – if you receive one please help us by completing it and returning it to us – thank you.
